DETAILED ACTION

This Office action is in response to the amendment filed April 19, 2006 in which claims 1, 5, 13, 14 and 15 were amended.

The previous rejection of the claims is withdrawn in view of the amendment to the claims.

Claim Rejections - 35 USC § 112

- The following is a quotation of the second paragraph of 35 U.S.C. 112:
 The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.
- 2. Claims 5 and 15 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Claim 15 is rejected because the term "lower" is a relative term that does not have a comparative value.

3. Claims 1, 4, 6 and 13-14 are allowable because the prior art fails to teach the claimed candle.
